Pandas in China

A panda looks like a bear but has black and white fur. Pandas only live in China. They are national treasures and are protected by law.

We can see pandas on TV or in the zoo. They move slowly, but they are lovely and everyone likes them.

Pandas are very popular. We Chinese like them, and people of the world like them, too. Now there are pandas from China in other countries, such as Japan and the US.

Pandas are more than animals, and they are bridges of friendship.
